District 33-A
Listing and Description of Supported Causes

<u>Name</u>	<u>Description</u>
Lions Club International Foundation (LCIF)	LCIF chooses projects that are in our four main areas of focus: providing disaster relief, supporting youth, saving sight, and meeting humanitarian needs.
Mass. Lions Eye Research Fund (MLERF)	MLERF mission is to fund cutting-edge research for the prevention and cure of eye-related diseases.
District 33-A Sight & Hearing Fund	The fund is set up to assist District 33A Lions Clubs in obtaining Sight and Hearing assistance for citizens of their communities.
District 33-A Sightmobile	A mobile platform used for eye and health screenings.
Youth Speech Program	A speech competition for students in grades 9, 10, 11, and 12 to speak publicly and freely on a designated topic of general interest from local to state level.
All State Band Scholarship	Scholarship for selected student in All State band.
All State Band Student (sponsor)	All State band with students gathered from across MA to perform at state convention.
Environmental Photo Program	Photo contest for Lions on a given topic.
Humanitarian Award	Each year at the Mid-Winter Conference the District presents an award to an individual (or individuals) who have distinguished themselves through humanitarian acts. Each club is asked to find that person or persons in their community
Peace Poster Program	Poster contest for middle-school students on a given topic
ROAR Program	The ROAR Program is designed to help new members become familiar with and take an active role in club activities.
Young Ambassador Program	Award given to high school student who demonstrates community service, leadership, and scholastic achievement.

District 33-A
Listing and Description of Supported Causes

<u>Name</u>	<u>Description</u>
Youth Camp Exchange	Introduces young people to life in other cultures by helping them travel abroad and includes an extended stay hosted by one of our many international clubs.
Eyeglass Recycling	Eyeglasses are collected and distributed to places where they can be reused
Disaster Relief Fund	To support disasters as they may occur
Leo Program	Leos are members aged 12 through 30 who want to serve in conjunction with the Lions structure
MA Lions Low Vision Network	Dedicated to improving the quality of life for people affected with Low Vision in our communities by offering services through a large network that will work to improve quality of life and independence.
Club Community Aid	Provide clubs with seed money to start service projects. Smaller clubs and clubs with limited resources can use this fund to help with a project that arises from a community need.

District 33-A
Listing and Description of Other Supported Causes

<u>Name/Address</u>	<u>Description</u>
The Barton Center for Diabetes Education, Inc. 30 Ennis Road PO Box 356 North Oxford, MA 01537-0356	Our programs focus on fun and support; the goal is to educate children and their families on how to manage the daily rigors of diabetes, so they can live fuller and healthier lives.
Audio Journal 799 W. Boylston St., Worcester MA, 01606	Audio Journal's mission in Central Massachusetts is to connect individuals with a visual impairment, or an inability to access print material, to their communities through broadcasting of local news, information, and entertainment, with exclusive programs and content.
Fidelco Guide Dog Foundation 103 Vision Way, Bloomfield, CT 06002	Fidelco Guide Dog Foundation partners exceptional people who are blind with expertly bred and trained German Shepherd guide dogs, providing all clients with increased independence to improve their lives and the world around them.
Perkins School for the Blind 175 North Beacon Street Watertown, MA 02472	Perkins School for the Blind is the worldwide leader in education services for children and young adults who have multiple disabilities and visual impairments
The Carroll Center for the Blind 770 Centre Street Newton, MA 02458-2597	The Carroll Center for the Blind services many sectors and populations—we deliver state-of-the-art assistive technology and consulting services to individuals, organizations and governments globally to empower people who are blind or visually impaired to reach their full potential.
Project New Hope Inc. 70 James Street, Suite 155 Worcester, MA 01604	Project New Hope is a New England-based, Military-affiliated, resource hub that finds and delivers the wellness resources needed by Veterans, Service Members, their families, and full units that have deployed together.
VOSH (Volunteer Optometric Services to Humanity) 12660 Q Street Omaha, NE 68137	Facilitates the provision and the sustainability of vision care worldwide for people who can neither afford nor obtain such care by supporting sustainable eye clinics, optometry schools and optometric educators in areas lacking sufficient eye care

District 33-A
Listing and Description of Other Supported Causes

<u>Name/Address</u>	<u>Description</u>
Worcester Free Medical Clinic Wesley Eye and Ear Clinic Wesley United Methodist Church 114 Main Street Worcester, MA 01608	Services We Provide: Vision Exams Low Cost Eyeglasses
Descriptive Video Services WGBH Educational Foundation 1 Guest Street Boston, MA 02135	WGBH created Descriptive Video Service (DVS) for audiences who are blind or low vision. Known generically as audio description, the Media Access Group's DVS team describes action, graphics, scene changes, body language and other key elements of the program without interfering with the key dialogue.
National Braille Press 88 Saint Stephen Street Boston, MA 02115-4312	NBP empowers the blind and visually impaired with programs, materials, and technology supporting braille literacy and learning through touch.
