Celebrate Melvin Jones' Legacy

In January, Lions Clubs International Foundation (LCIF) is celebrating Melvin Jones' 147th birthday with a global fundraising campaign to inspire new donors.

If you haven't yet given, honor our founder's vision by making your contribution today and encourage fellow members to join you in empowering our life-changing service. You or your club could make a donation of \$147 in commemoration of his 147th birthday or any donation would be greatly appreciated.

Remember that 100% of every donation supports LCIF grants and programs.

Wishing you peace, joy, and light this holiday season—whether you're celebrating Christmas, Hanukkah, Kwanzaa, or simply enjoying time with loved ones. May your days be filled with warmth and community!
