

## [Scheduling the District 33-A Lions Sightmobile](#)

The Sightmobile was dedicated on April 9, 2003. How about bringing the Sightmobile to your community? It's never too early to schedule a date, well almost. We're now accepting reservations up to one year in advance on a first come, first serve basis. There are many great dates left. You need to pick one now before someone else requests the same date first. Check the Sightmobile schedule to see what dates might be available. The Sightmobile is available for screenings, parades, and public relations. Rain dates may be requested but are not guaranteed. A screening will take precedent over a parade, public relations or rain date reservations. Check the Sightmobile screening Information for valuable information on conducting a screening.

So act fast. Fill out a Reservation form and return it ASAP!

1. Email me or call ahead to see if your date is available. The schedule changes frequently. Contact an approved driver who is on the Sightmobile Drivers List before confirming your requested date.
2. The Sightmobile is located at 150 Center Street, Ashburnham. The keys to the Sightmobile will be available by contacting the Maintenance Coordinator
